

# SH 350 IP

Perfect  
quality

The Sennheiser SH 350 IP channels perfect quality sound to both ears for sustained levels of concentration during conversations. A stylish, high-quality solution for professionals who value premium comfort and superlative speech quality.

This wideband headset delivers a more nuanced soundscape where voice transmission is perceived as warmer and more natural.

Use SH 350 IP for VoIP communication via softphones on PCs / MacBooks and IP desk phones.

**ActiveGard™**  
Protecting your hearing

- **HD voice clarity** The SH 350 IP wideband headset delivers natural high-definition sound for superior voice clarity, accented speaker recognition, and reduced echo
- **Boosted productivity** The binaural headset blocks background noise, allowing total concentration for increased productivity
- **Precision positioning** 300° adjustable microphone boom for personalised mic placement, with Teflon®\* washer for optimal stability and durability
- **Superior fit** Independently adjustable dual-padded headband and ball-mounted speakers ensure a perfect fit
- **Optimum clarity** A noise-cancelling microphone filters out ambient sounds for clearer speech
- **Protected hearing** ActiveGard™ technology protects against acoustic shock and sudden sound surges
